#### ***Procedures***

We carry out the following procedures to ensure we meet the three key commitments of the Alliance Safeguarding Children Policy.

#### **Key commitment 1**

We are committed to building a ‘culture of safety’ in which children are protected from abuse and harm in all areas of its service delivery.

#### **Staff and Volunteers**

- Our designated person (a member of staff) who co-ordinates child protection issues is Mrs Saira Malik.
- Our designated person who oversee this work is Mrs Saira Malik.

- We ensure all staff and parents are made aware of our safeguarding policies and procedures.
- We provide adequate and appropriate staffing resources to meet the needs of children.
- Applicants for posts within the setting are clearly informed that the positions are exempt from the Rehabilitation of Offenders Act 1974.
- Candidates are informed of the need to carry out 'enhanced disclosure' checks with the Disclosure and Barring Service (DBS) before posts can be confirmed.
- Where applications are rejected because of information that has been disclosed, applicants have the right to know and to challenge incorrect information.
- We abide by Ofsted requirements in respect of references and DBS checks for staff and volunteers, to ensure that no disqualified person or unsuitable person works at the setting or has access to the children.
- Volunteers do not work unsupervised.
- We abide by the Protection of Vulnerable Groups Act requirements in respect of any person who is dismissed from our employment, or resigns in circumstances that would otherwise have led to dismissal for reasons of child protection concern.
- We have procedures for recording the details of visitors to the setting. (Signing in/out book)
- We take security steps to ensure that we have control over who comes into the setting so that no unauthorised person has unsupervised access to the children.
- There is a legal requirement for employers to make a referral to the ISA (Independent Safeguarding Authority) of any staff they dismiss who are not suitable to work with children. For example; they have behaved in a way that has harmed a child, or may have harmed child, possibly committed a criminal offence against or related to a child or behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children. This will be in liaison with the Local Authority Designated Officer (LAOO)

#### *Key commitment 2*

We are committed to responding promptly and appropriately to all incidents or concerns of abuse that may occur and to work with statutory agencies in accordance with the procedures that are set down in *What to do if you're worried a child is being abused* (HMG 2006).

#### *Responding to suspicions of abuse*

- We acknowledge that abuse of children can take different forms - physical, emotional, and sexual, as well as neglect.

- When children are suffering from physical, sexual or emotional abuse, or may be experiencing neglect, this may be demonstrated through the things they say (direct or indirect disclosure) or through changes in their appearance, their behaviour, or their play.
- Where such evidence is apparent, the child's key person makes a dated record of the details of the concern and discusses what to do with the setting leader or manager who is acting as the 'designated person'. The information is stored on the child's personal ...
- We refer concerns to the local authority children's social care department and co-operate fully in any subsequent investigation.  
NB In some cases this may mean the police or another agency identified by the Local Safeguarding Children's Board.
- We take care not to influence the outcome either through the way we speak to children or by asking questions of children.
- We use the detailed procedures and reporting format contained in the Pre-school Learning Alliance's publication 'Child Protection Record for use in Early Years Settings' when making a referral to children's social care or other appropriate agencies.

### Counter Terrorism Act 2015

The Prevent Duty has become a statutory obligation for all early years' education providers. The prevention and detection of radicalization, to effectively safeguard vulnerable young children against extremism. At MPS training is offered to all staff on the practical implications of Prevent Duty.

### Recording suspicions of abuse and disclosures

- Where a child makes comments to a member of staff that gives cause for concern (disclosure), observes signs or signals that gives cause for concern, such as significant changes in behaviour; deterioration in general well-being; unexplained bruising, marks or signs of possible abuse or neglect that member of staff:
  - listens to the child, offers reassurance and gives assurance that she or he will take action;
  - Do not question the child;
  - makes a written record that forms an objective record of the observation or disclosure that includes:
    - The date and time of the observation or the disclosure;
    - The exact words spoken by the child as far as possible;
    - The name of the person to whom the concern was reported, with date and time; and the names of any other person present at the time.

These records are signed and dated and kept in the child's personal file, which is kept securely and confidentially.

### Making a referral to the local authority social care team.

- The Pre-school Learning Alliance's publication 'Child Protection Record' contains detailed procedures for making a referral to the local social care team, as well as a template form for recording concerns and making a referral. This is based on 'What to do if you're worried a child is being abused' (HMG 2006).
- We keep a copy of this document and follow the detailed guidelines given.
- All members of staff are familiar with the Alliance's Child Protection Record and follow the procedures for recording and reporting.

### Informing parents

- Parents are normally the first point of contact.
- IF a suspicion of abuse is recorded, parents are informed at the same time as the report is made, except where the guidance of Hertfordshire Safeguarding Children Board does not allow this.
- This will usually be the case where the parent is the likely abuser. In these cases the investigating officers will inform parents.

### Liaison with other agencies

- We work within the Hertfordshire Safeguarding Children Board guidelines.
- We carry out regular training for all staff, so they would know what to do if they were worried about a child.
- We have procedures for contacting the local authority on child protection issues, including maintaining a list of name, addresses and telephone numbers of social workers, to ensure that it is easy, in any case of emergency, for the setting and social services to work well together.
- We notify the registration authority (Ofsted) of any incident or accident and any changes in our arrangements, which may affect the wellbeing of children.
- Contact details for the local National Society for the Prevention of Cruelty to Children (NSPCC) are also kept.
- If a referral is to made to the local authority social care department, we act within the area's Safeguarding Children and Child Protection guidance in deciding whether we inform the child's parents at the same time.

- We respond to any disclosure by children or staff that abuse by a member of staff or volunteer within the setting, or working on the premises occupied by the setting, may have taken, or is taking place, by first recording the details of any such alleged incident.
- We refer any such complaint immediately to the local authority's social care department to investigate. We also report any such alleged incident to Ofsted and what measures we have taken. We are aware that it is an offence not to do this.
- We co-operate entirely with any investigation carried 'out by children's social care in conjunction with the police.
- Where the management committee and children's social care agree it is appropriate in the circumstances, the chairperson may suspend the member of staff on full pay, or the volunteer, for the duration of the investigation. #### Disciplinary Action

- Where a member of staff or a volunteer is dismissed from the setting because of misconduct relating to a child, we notify the Independent Barring Board administrators so that the name may be included on the Protection of Children and Vulnerable Adults Barred List.

- We ensure that all staff knows the procedures for reporting and recording their concerns in the setting.

#### Planning

- The layout of the rooms allows for constant supervision. No child is left alone with staff or volunteers in a one-to-one situation without being visible to others.

#### Curriculum

- We introduce key elements of keeping children safe into our programme to promote the personal, social and emotional development of all children, so that they may grow to be strong, resilient and listened to and that they develop an understanding of why and how to keep safe.
- We create within the setting a culture of value and respect for the individual, having positive regard for children's heritage arising from their colour, ethnicity, languages spoken at home, cultural and social background.
- We ensure that this is carried out in a way that is developmentally appropriate for the children.

- We will continue to welcome the child and the family whilst investigations are being made in relation to any alleged abuse.
- We follow the Child Protection Plan as set by the child's social care worker in relation to the setting's designated role and tasks in supporting that child and their family, subsequent to any investigation.
